Agenda for the 26th meeting of the PGC , 22nd November 2017 at 3.30 PM, Board Room, 5th Floor

1. Confirmation of the minutes of the 25th meeting of the PGC held on 25th Oct 2017.

To reconsider below items:

2. Registration of On-Campus courses/ MTech Minor Project/ Thesis/IS for MTech students during their off-campus Internship/ Industry Internship duration.?" (Need to be re-discussed in presence of Dr Mayank Vatsa.)

3. Having MTP session like BTP poster session of B.Tech where M.Tech students can showcase their work.

4. Introduction of a 0 credit course for PhD students to attend seminars - a rule saying a student should register for this course for at least 4 semesters and attend at least 75% of the seminars to obtain credit.
(This is to ensure that PhD students attend institute seminars, which is beneficial for them to gain breath as well as exposure to current research areas outside their area of expertise; and of course to learn how to give presentations to an audience outside their area of specialization as institute seminars are meant for a broad audience).

New Items:

5. To consider the case of Sidhartha Sankar Rout who has joined as a PhD student under Dr Sujay in July 2017. He did his masters from IIIT Delhi (2014 pass out) and has already taken most of the relevant courses and performed well in those courses (transcript attached).
He has taken most of the relevant courses, his advisor has requested to allow him to take more IS/ IP or online courses which will be more relevant for his research.

6. To consider the Degree format for the award of Joint PhD between IIITD & QUT Australia.

7. To discuss the process for approval and updation of MTech specialization courses.

8. To review M.Tech CB Regulations (document enclosed)

9. To consider a proposal to include Thesis Title in Student's Transcript.

Additional Items:

10. To consider proposal to start MTech in CS with Specialization in AI program.

11. To discuss about course feedback form.

12. Any other item with the permission of the Chair.
