

Agenda for the 28th meeting of the PGC, 7th March 2018 at 2.30 PM at Room No A-618, New Academic Building, IIIT Delhi

1. Confirmation of the minutes of the 27th meeting of the PGC held on 24th Jan, 2018.

Deferred Items:

2. To evolve a plan for attracting international students for MTech & PhD program.

New Items:

3. To discuss the case whether PhD students are allowed to do 300 level courses towards minimum required coursework.
 4. To discuss the matter regarding fee payment by Sponsored PhD students.
 5. To review the criteria for issuing academic warning to MTech students. As per the current PG Regulations :
If the CGPA falls below 6.00, the student may be placed under warning first, and if the performance does not improve, he may be asked to leave the program."
However, as per the current CGPA formula (i.e. the count of "F" towards CGPA is NIL), the students with even 4 "F" grades in a semester are not getting any warning.
Hence the criteria for Academic Warning need to be looked into.
 6. To discuss about change in MTech specialization process.
 7. To discuss about timeline for submission of list of students who are going for internship by Placement office to Academic section.
 8. Any other item with the permission of the Chair.
