

Agenda - Items to be discussed in the PGC meeting to be held on Sep, 2015

Points related to PhD Program

1. To discuss the travel budget for students of earlier batches.
2. The MTech students who migrate to PhD, such a student, for PhD credit requirement, may be treated as if he/she had joined the PhD program from the start of the PG program. However, the student will be eligible for PhD stipends only from the time he/she enrolls as PhD student.

As a consequence the comprehensive will be due as below:

For students who migrate after his/her MTech 2nd Sem – Will be due with in next 3 Semester

For students who migrate after his/her MTech 3rd Sem – Will be due with in next 2 Semester

For students who migrate after his/her MTech 4th Sem – Will be due with in next 1 Semester

3. To discuss how to improve - yearly report + ppt to be submitted well in advance, individual comments by committee members to be sent before the meeting/presentation, and then a meeting to discuss the progress/presentation.
4. At present a PhD student need to register course work/research work credits every regular semester. For ex. A X students has completed the required coursework / research work credits by the end of his 10 semester i.e. 5 years and will need more time towards submission of thesis, whether in such scenarios also he need to register every semester after 5 years.
5. ORF amount
