MINUTES OF THE MEETING

41.1   WELCOME AND OPENING REMARKS BY THE CHAIRPERSON

The Chairman welcomed all to the meeting.

On behalf of the Senate of the Institute, the Chairman conveyed sincere thanks to all the outgoing Senate members for their valuable contributions made during their tenure, which were extremely useful for evolving the right policies and maintain standard of education at the Institute and hoped to get their continued support and cooperation in times to come.

The Chairman also welcomed the new Senate members and hoped to receive their valuable contributions in evolving the right policies to maintain standards of education at the Institute.

Chairman, Senate also informed that the Senate in its 40ᵗʰ meeting vide item No. 40.10 had authorized him to finalize nominations for the Academic Senate and subsequently place in the Senate meeting for ratification. Accordingly, a total of 40 new members (30 IIITD faculty + 8 external members + 2 alumni) are nominated to the Academic Senate and their names are shown in the list under new members of Appendix I. As per the approved composition, Registrar is the non-voting Secretary of the Senate. Student Representative(s) attend the meetings as special invitee(s). The Senate ratified the above nominations to the Academic Senate.

Thereafter, agenda items were taken up for discussions.

41.2   CONFIRMATION OF MINUTES OF THE 40ᵀᴴ MEETING OF THE SENATE HELD ON 20.11.2018

Except for the observation to item No. 40.13, no other comments were received. Therefore, the minutes of the 40ᵗʰ meeting of the Senate held on 20ᵗʰ November, 2018 except item no. 40.13, were confirmed.

As regards the observation to Item No. 40.13, Dr. Anubha Gupta, ADOAA presented this item and informed that the curriculum of all programs of IIIT-D had been framed after a number of deliberations and workshops with external domain experts. Since this item is related to curriculum change of the UG regulations, it needs an in-depth discussion with domain experts. It was noted that CSAM and CSSS departments are already considering to review their curriculum based on their experience of 2.5 years and 1.5 years, respectively. After detailed deliberations, Senate agreed not to implement the proposed changes of curriculum to UG regulations, earlier agreed on 20ᵗʰ November 2018. It was agreed that the existing UG regulations will prevail and the changes suggested in the meeting of 20ᵗʰ November 2018 should come through the process of curriculum change via in-depth discussions with internal and external domain experts. Hence, decision taken vide item No. 40.13 of the minutes of the 40ᵗʰ Senate meeting stands withdrawn.

41.3   ACTION TAKEN REPORT

Chairman, Senate apprised the members of the action taken on the various decisions taken by the Senate in its 40th meeting held on 20th November, 2018. The Senate noted the position. With regard to awarding bonus marks to encourage women students to join IIITD, it was noted that the legal opinion sought by the Institute has been received from the Advocate. However, despite the written and telephonic reminders send by Prof. Pankaj Jalote (founding Director) the required data from CBSE is still awaited. After detailed deliberations the Senate therefore, decided to continue with the bonus marks for class XII as was done in the last year. The process of making any change may be considered after the data from the CBSE is received and discussed.

41.4   ITEMS FOR INFORMATION/ RATIFICATION

41.4.1   *General Matters*

41.4.1.1   To consider the End of Semester Summary Report (Monsoon 2018)

Dr. Gaurav Arora, UG Chair, presented the summary of various activities of academics undertaken in the previous semester (Monsoon 2018) including performance of UG/PG/Ph.D. The semester summary was earlier reviewed by a committee of UG Chair, PG Chair and DoAA. The committee came up with the below observations.

1) 3 Day Modules to be added for the programs other than B.Tech(CSE) and B.Tech(ECE) – The recommendations of UGC are as below:

Modules to be offered after Monsoon Semester		
Semester	**Module**	**For**
1st Sem	JAVA	For All
3rd Sem	Advanced C	For all branches other than ECE
3rd Sem	Spice	For ECE
3rd Sem	Nvivo/QDA Minor	CSSS
3rd Sem	Visual Design and Communication	CSD
3rd Sem	Introduction to biological data types and sources	CSB
5th Sem	Academic Writing	CSSS

Modules to be offered after Winter Semester		
Semester	**Module**	**For**
2nd Sem	Matlab	ECE
2nd Sem	Introductory JAVA	For All
2nd Sem	R	CSSS & CSB
2nd Sem	DDV	CSD
4th Sem	EDA Tools	ECE
4th Sem	DSA with emphasis on JAVA	For All other than ECE
4th Sem	Mathematica	CSSS
4th Sem	Analysis 1.5	CSAM

Senate approved the above recommendations of the UGC and suggested that Academic Writing module should be done by all the B.Tech students after 5th Semester.

2) What actions to be taken for the students whose SGPA is less than 6.5 from last two semesters and attendance is less than 60%.
3) Average SGPA of B.Tech CSSS students improved by around 1 point as compared to their previous Monsoon/Winter Semester.
4) What actions are to be taken for the students whose SGPA is 2 less than the previous semester.

Pnt 2-4 will be discussed in the upcoming UGC and the suggestions of the committee will be taken up in the next Senate.

Action: Academic Section

41.4.1.2   To consider the proposed Academic Calendar for Summer Term 2019

The Senate approved the Academic Calendar for Summer Term 2019 placed at Appendix II

41.4.1.3   To report status of application to NBA for Accreditation of B.Tech.(ECE) program

The Senate noted the position.

41.4.1.4   To report Application status for NIRF Ranking

The Senate noted the position.

41.4.1.5   To report students who completed graduation requirements on 21st December, 2018.

The Senate approved the list of students who completed Graduation requirement on 21st December 2018, placed at Appendix III

Action: Academic Section

41.4.1.6   To report the list of new courses approved during academic year 2018-19

The Senate noted the new courses approved during academic year 2018-19

41.4.1.7   To report the Dean's list for year 2018.

Senate noted the Dean's lists (for Academics, IRD, and Students) for students' recognition in the Foundation day 2018 as per details at Appendix IV

Ms Sheetu Ahuja, Manager (Academics) mentioned that last year, due to higher Average SGPA criteria, no M.Tech. student received Dean Academic Award, hence we should see if we want to lower down the criteria from 9.5 to 9 to encourage M.Tech. students to work hard. After detailed deliberations the Senate made clear that, at the moment, there is no justification for the review of criteria for the selection of M.Tech. students to Dean's list.

41.4.1.8   To report the status of Suit No. CJ/1151/2018, filed by Animesh Attri in the court of Hon'ble Shri Gaurav Gupta, Civil Judge Junior Division-x, Civil Courts, Amritsar

The Senate noted the position.

41.4.1.9   To report branch transfer of B.Tech students for 2018 Batch

The Senate noted the branch transfer of the following B.Tech. students of 2018 batch. The Senate also suggested that before the branch transfer applications are rolled out, a counseling session should be arranged towards the end of the previous semester to make students aware of the program structure of all B.Tech programs.

41.5 ITEMS FOR DISCUSSION AND CONSIDERATION

41.5.1 *B.Tech. related matters*

41.5.1.1 **To review the existing Branch Transfer Rule for B.Tech. CSE**

Dr. Anubha Gupta, ADOAA apprised the members of the earlier discussions held in its 39th meeting held on 21st August, 2018 and the recommendations made by FM of the Deptt. of CSE and subsequently by the UGC (20th Meeting) that SM course grade should not be counted for branch transfer to B.Tech(CSE). Instead Math-1 (along with IP) should be considered. She also informed that with this change, the below tie breaking rules should be followed for the students with the same CGPA for transfer to B.Tech(CSE) Program:

Tie Breaking Rule I - For transfer to CSE branch, higher grade in the order of IP, Maths I, SM, DC, Comm
Tie Breaking Rule II -Higher JEE Rank

After detailed deliberations, the Senate approved the above new Branch Transfer Rule for B.Tech. CSE and the new Tie breaking rules.

During the course of discussions Dr. Aman Parnami pointed out as to why the Design Course should also not be included in the 1st Semester for the purpose of branch transfer. After a brief discussion, it was decided to refer the matter to the UGC for larger discussions for any possible change in the existing Branch Transfer Rules.

Action: Academic Section

41.5.1.2   To consider recommendation of the UGC for allowing senior B.Tech. students to take two 2xx level courses.

Dr. Anubha Gupta, ADOAA presented the background of the proposal. After a brief discussion, the Senate agreed to the recommendation of the UGC made in its 20th Meeting to allow B.Tech. 3rd and 4th year students to do two 2xx level courses. It was also agreed that if the courses are of the respective department, it will satisfy the 32 credit requirement.

Action: Academic Section

41.5.1.3   Criteria for admission of Foreign Nationals through IIITD admission process.

Dr. Anubha Gupta, ADOAA presented the background of the proposal. During the course of discussions the members made various suggestions for helping the foreign nationals coming from different backgrounds. After detailed deliberations, the Senate did not agree to the recommendation of the UGC for making TOFEL/IELETS compulsory for students coming through foreign national category. The Senate decided that to assess the ability of students in understanding and communicating in English, the committee should interview the applicants. The Senate also recommended that UGC should discuss how to help such students who face challenges in understanding/speaking English by exploring the options of opening a writing lab, adding listening component in the Communication Skills course, etc.

Action: Academic Section

41.5.2   *Ph.D. related matters*

41.5.2.1   To reconsider the special requirements for Ph.D. in Social Sciences and Humanities

Dr. Gaurav Arora apprised the members of the discussions held in earlier Senate meetings, i.e., its 37th meeting and 40th Meeting, and informed that after incorporating the changes the SSH Department submitted the modified document containing special requirements for Ph.D. program in Social Sciences and Humanities in the areas of Economics and Sociology/Anthropology and the same has been examined by a committee comprising of UG Chair (also faculty member, SSH), PG Chair, DoAA, Head (SSH), Dr Vigneswara, external expert in the area of SSH and Prof Dheeraj Sanghi, external expert in CSE. After detailed deliberations, the Senate approved the modified document placed at Appendix VI

The Senate also approved the change in the name of the program from PhD in Social Sciences to PhD in Social Sciences and Humanities.

<div align="right">**Action: Academic Section/HoD SSH**</div>

41.5.3 *Other Matters*

41.5.3.1 Admission to B.Tech Program under PMSS scholarship scheme of AICTE for J&K students.

As per the recent scheme of AICTE for admission to B.Tech Program under PMSS scholarship scheme, each Institute can admit upto 10 candidates. However, the fee for each candidate will be maximum Rs 1.25 L per annum. The student will be given maintenance allowance of Rs 1L. Since, fee for IIITD candidates is proposed to be raised to Rs 2.75L per annum from academic year 2019-20 and the AICTE rules strictly prohibit charging of fee over and above Rs 1.25 L from the student, the B.Tech Admission committee has proposed not to participate in the admission process under the above scheme. After a brief discussion the Senate agreed and recommended the above proposal to the Board.

<div align="right">**Action: Registrar**</div>

41.5.3.2 To consider the request of an M.Tech. student for continuation of registration.

Dr. Anubha Gupta, ADOAA apprised the members of the background of the case of Mr. Moulik Dayal, Roll No. MT17029. She informed that based on the performance in the first semester, he was issued a warning. Subsequently, he was also issued termination after 2nd semester due to poor performance. However, on his request, he was allowed to continue. After the 3rd semester, his performance has still remained below the required CGPA. He has again requested to continue his studies. It was noted that till 3rd semester, he has completed a total of 28 credits of course work out of 48 credits and is also left with Thesis/SP. He has completed 8 credits of mandatory course. His current CGPA is 5.22 against the minimum graduating CGPA of 6.5. After detailed deliberations, the Senate did not agree to his request for continuation of his registration.

<div align="right">**Action: Academic Section**</div>

41.5.3.3 To consider the matter discussed in 39th Senate regarding Bonus marks to Women Students.

The BoG in its 42nd meeting had desired to collect data from CBSE from the previous year about how many girls will fall in different percentiles – absolute, as well as for percentiles separately for girls and boys/rest (it was felt that it should be explored whether it is better to define percentile cutoffs for girls and boys/others based on their population only) and seeking legal opinion to go on with such proposal. While we have received the legal opinion, the data from CBSE is still awaited. Since the admission process is about to start, it is proposed that we should continue with the Bonus Marks for Class XII marks as in the past. After detailed deliberation, the Senate agreed to the proposal and recommended to continue with the Bonus Marks for Class XII marks as in the past.

<div align="right">**Action: Academic Section**</div>

The meeting ended with a vote of thanks to and by the Chair.

Students applying with MBA need to have secured at least 70% marks or 3.0 CGPA on a scale of 4.

Entrance test and Interviews:
Eligible candidates will be invited to write an entrance examination that will test the candidate's knowledge in foundational Sociology and Anthropology topics.

Short-listed candidates from the entrance examination stage will be interviewed by an expert committee and the final decision on the admission will be made based on the candidate's overall performance.

Candidates applying for Ph.D. in Sociology/Anthropology should submit a 2-page statement of purpose (SoP) delineating research theme(s) within Sociology/Anthropology that may include specific questions of potential research interest to the candidate when applying. The candidate is expected to clearly express his/her interest in the outlined research theme(s) or questions to the extent possible.

Preference will be given to those with a post-graduate degree in Sociology/Anthropology. Preference will also be given to those who have cleared either NET/JRF or SLET.

Change from One Program to Another

The institute does not currently offers Masters program in any of the Social Science disciplines. Therefore, in scenarios where a student fails his or her comprehensive exam or the PhD thesis is not found suitable migration to a different program is not possible.

Page 17:
Coursework requirement:

PhD students will be required to complete 32 credits of PhD level coursework. Students who enter after an MPhil will need to complete a minimum of 24 credits (implying a waiver of maximum 8 credits). This waiver in coursework may only be provided with the permission from the thesis advisor and the dissertation committee.

In addition, students are required to complete 56 research credits.

500-level courses (or higher) will be considered towards the PhD program. However, students may be allowed to take at most two advanced undergraduate courses (300-level or higher) with the permission of the thesis advisor and PGC.

Maximum of 2 Independent Study courses are allowed to be counted towards PhD credits. Independent Project credits are disallowed for PhD program in Social Sciences and Humanities disciplines.

Sociology/Anthropology: Specialized coursework in addition to the general requirements above)

Students are expected to compulsorily take three courses - Research Methods in Sociology/Anthropology, Theories in Sociology/Anthropology and Sociology/Anthropology of India worth 12 credits in total. Once these courses are offered within the department, the expectation is that these courses are only taken with the department and cannot be substituted for credits if taken elsewhere.
The total of 32 course credits will be divided as 16 credits for Courses and 16 credits for PhD level research seminar style classes (where research papers are intensively discussed by the course instructor).
Students are encouraged to actively audit any related courses other than those expected for credit coursework with the permission of the thesis adviser.

Economics

Time limit for completion of comprehensive exam is 4 semesters, irrespective of the students' background. In special cases one semester extension may be provided with a maximum of two attempts with permission from the thesis advisor and PGC. Students with an MPhil degree may be allowed to attempt the comprehensive exam after the completion of three semesters.

Sociology/Anthropology

Time limit for completion of comprehensive exam is 3 semesters, irrespective of the students' background. In special cases, one semester extension may be provided with a maximum of two attempts with permission from the thesis advisor and PGC.

Before the student finally defends his/her thesis for PhD in Sociology/Anthropology, the student is expected to have published in well reputed national/international journals and presented at well reputed national/international conferences. In case of book chapters, the expectation is to have published them with well-reputed international publishers such as Sage/Wiley etc. The thesis advisor and the PGC will judge the nature and the prestige of the conferences/book publishers.

Clarification notes:

In order to comply with the CGPA requirement for continuing in the PhD program (item 12.2 under 'Minimum Academic Performance Requirements') coursework grades will be mapped from the course granting institution into IIIT-Delhi grades depending on the subject area and the course granting institution. Students must secure the minimum grade requirement in order to continue in the PhD program. In the event that a student does not fulfil these requirements, it shall be up to the discretion of the departmental committee to decide on the further continuance of the student in the PhD program, followed by a formal approval of the PGC.
