**FIFTY FIRST (51<sup>st</sup>) MEETING OF THE SENATE OF IIIT-DELHI  
(HELD ONLINE THROUGH GOOGLE MEET ON August 11, 2021)**

**MINUTES OF THE MEETING**

**51.1 WELCOME AND OPENING REMARKS BY THE CHAIRPERSON**

At the outset, the Chairman, Senate welcomed all to the 51<sup>st</sup> meeting of the Senate. Further, on behalf of the Senate of the Institute, the Chairman conveyed sincere thanks to all the outgoing Senate members for their valuable contributions made during their tenure, which were extremely useful for evolving the right policies and maintaining the standard of education at the Institute and hoped to get their continued support and cooperation in times to come.

**Outgoing External Member**

Prof. Hema A. Murthy, IIT Madras

**Internal IIIT-D Faculty member**

Prof. Ponnurangam Kumaraguru

**Students' representative (Special Invitees)**

Mr. Pranav Jain (MT19207)

Mr. Yash Gupta(2017210)

Mr. Jay Rawal (2017240)

The Chairman also welcomed the new Senate members and hoped to receive their valuable contributions in evolving the right policies to maintain standards of education at the Institute.

**New External Members**

Prof. J. K. Verma, IIT Bombay

Prof. Kaushik Saha, IIT Delhi (earlier, he was a Senate member from the Industry - Samsung)

**New Students' representative (Special Invitees)**

Ms. Khushali Verma (2018290)

Mr. Navneet Agarwal (2018348)

The Chairman further informed that, due to the ongoing Covid-19 pandemic, it is planned to organize the annual convocation in virtual mode on October 16, 2021. He also informed that Prof. Gagandeep Kang, a well-known microbiologist and virologist has kindly agreed to be the Chief Guest for the 10<sup>th</sup> Convocation. Prof. Kang was awarded the prestigious

Infosys Prize in Life Sciences in 2016 for her contributions to understanding the natural history of rotavirus and other infectious diseases. She became the first Indian woman to be elected as a Fellow of the Royal Society. Prof. Kang is the co-author of the book *Till We Win: India's Fight Against The COVID-19 pandemic*.

## **51.2 CONFIRMATION OF MINUTES OF THE 50TH MEETING OF THE SENATE**

The Dean of Academic Affairs informed that no comments were received on the Minutes of the 50th meeting of the Senate held on April 28, 2021. The Senate, therefore, confirmed the Minutes of the 50th meeting as circulated.

**Action: Academic Section**

## **51.3 ACTION TAKEN REPORT**

The Dean of Academic Affairs apprised the members of the action taken on the various decisions taken by the Senate in its 50th meeting held on April 28, 2021. The Senate noted the position.

## **51.4 ITEMS FOR INFORMATION/ RATIFICATION**

### **51.4.1 *General Matters***

#### **51.4.1.1 To report the progress of the NAAC Self Study Report (SSR) submitted for Cycle 2 accreditation**

The Dean Academic Affairs informed that due to the COVID-19 lockdown, the NAAC had given the Institute an extension to submit the SSR for Cycle 2 accreditation. Accordingly, the SSR has been submitted on April 7, 2021. Subsequently, some clarifications were sought via the NAAC portal, for which all the documents have been submitted on June 30, 2021. The NAAC team will soon notify the next steps. The Senate noted the position.

**Action: Academic Section**

#### **51.4.1.2 To ratify the approval given by the Director (Chairman, Senate) for branch transfer of B.Tech. students for 2020 batch**

The Dean of Academic Affairs informed that the Director (Chairman, Senate) had approved the branch transfer of the following B.Tech. students of the 2020 batch. He also presented the data of the last two years, which showed a similar trend. During the discussions, it was desired that while inviting applications for branch change next year, the reasons for change may also be ascertained from the applicants seeking the branch change. After detailed deliberations, the Senate ratified the approval given by the Chairman, Senate for branch transfer of B.Tech. students of the 2020 batch.

#### **51.4.1.3 To ratify the approval given by the Chairman, Senate for Academic Calendar for Monsoon 2021**

The Senate ratified the approval given by Chairman, Senate to the Academic Calendar for Monsoon 2021 for B.Tech. 2020 batch and a separate calendar for other students as placed in the agenda items.

**Action: Academic Section**

#### **51.4.1.4 To consider the End of Semester Summary Report (Winter 2021)**

The Dean of Academic Affairs presented the summary of various activities of academics undertaken in the previous semester (Winter 2021), including the performance of UG/PG/Ph.D. He highlighted the points given below

1. The number of courses with more than 100 students is increasing over the years. Since the classes are happening online, it is not posing any issue; however, as soon as the classes will start physically, it might lead to a shortage of infrastructure.
2. The average CGPA of M.Tech. students is almost the same as in the previous year.
3. The average SGPA of CSSS students of the B.Tech. 2020 batch is the lowest, followed by CSB and ECE. CSE is the highest – a similar trend is seen for senior batches
4. The average SGPA of students in the second year is better than the first-year students and the third and fourth year average is better than the first two years.
5. With the new TA policy for UG students where students can register for TA duty for credits, paid TA ship or volunteer for TAship, the number of UG TAs has increased to 92 from 60-80 in the previous few semesters.
6. The number of Ph.D. students admitted in AY20-21 has increased to 67 compared to 54 in 2019-20.

**Action: Academic Section**

#### **51.4.1.5 To report recommendations for various awards and medals to be awarded in the 10<sup>th</sup> Convocation to be held in virtual mode**

Dean of Academic Affairs informed that a Committee with the following members was constituted to evaluate the nominations and recommend the students for the All-Round Performance Medal:

1. Dr. Anuj Grover (Chair)
2. Dr. Jainendra Shukla
3. Dr. Gayatri Nair
4. Dr. MaynakVatsa (External Member)
5. Ms. Osheen Sachdev-2018059 (Student Member-CSE)
6. Mr. Setu Gupta-2018190 (Student Member-ECE)

The committee evaluated the nominations as per award guidelines and recommended the below students for All Round Performance Medal. The comments given by the committee are also mentioned against each student:

### **1. All Round Performance Medal in CSE**

**Chirag Jain**- Participated in numerous activities, including the Corona app. Heavily involved in student mentoring. Most of the activities were selfless initiatives without any credits or direction for doing them.

### **2. All Round Performance Medal in CSD**

**Riya Singh** - Actively participated in a wide range of activities. Was involved in mentoring juniors. High on teamwork. Appreciated contributions from others in her success story.

### **3. All Round Performance Medal in CSAM**

**Chhavi Keswani** - Continuous progress through the four years. Creating a path for herself on the MBA route for which very scant guidance was available. Mentors juniors on this path now.

### **4. All Round Performance Medal in CSSS**

**Shubhangi Butta** - Wide range of activities in which she participated. Teamwork.Organized events in ESYA, Odyssey.

### **5. All Round Performance Medal in ECE**

**Khalid Lodhi** - Enormous scale of activities that he participated in and organized. High support from batchmates (55 votes out of 62).

During the course of discussions, the Chairman of the committee, Dr. Anuj Grover, clarified the points raised by the members. Ms. Sheetu Ahuja, Sr. Manager (Academics), informed that other awards based on CGPA would be put up separately to the Chairman, Senate after the final results are available. Further, it was noted that due to Covid-19, there would be no award for BTP and best M.Tech. Thesis award this year. After detailed deliberations, the Senate approved the above recommendations for the All Round Performance Medals.

**Action: Academic Section**

#### **51.4.1.6 To ratify the approval given by the Chairman, Senate to allow the two students of PG Diploma in Data Science and Artificial Intelligence (i) to reappear for the exam one more time and (ii) to move to the 2021 batch on medical grounds**

The Dean of Academic Affairs informed that the following two students of PG Diploma in Data Science and Artificial Intelligence had requested to allow them (i) to reappear for the exam one more time and (ii) to move to the 2021 batch on medical grounds. Their cases are briefly described below:

1. **Case of Dheeraj Gupta (OPD20033).** He appeared for the re-exam of Mathematics and Optimization Theory but couldn't pass the course. He was unable to clear the exam as he was suffering from Covid. He had submitted the Covid report to the PGD Executive committee. The regulations permit the student to give a re-exam only once. He had requested to allow him to reappear for the exam one more time.

2. **Case of Vinay Pratap Singh(OPD20001):** He was unwell and had some ear surgeries throughout the program, due to which he was unable to attend the classes. He had submitted his medical documents to the PGD executive committee. He had requested to move him to the 2021 batch and adjust the fee amount paid by him for Trimesters 1 and 2.

He also informed that the PGD Executive committee had considered and recommended their requests. After that, based on the recommendation of the Executive committee of the PGD program and the DOAA, the Chairman, Senate, has approved the above requests.

After a brief discussion, the Senate ratified the approval given by the Chairman, Senate.

**Action: Program Director/Academic Section**

#### **51.4.1.7 To report the list of students whose names were struck off from July 1, 2020, - June 30, 2021.**

The Senate noted the list of students whose names were struck-off from the rolls of the Institute during July 1, 2020 - June 30, 2021 as placed in the agenda. The Senate further desired that in the future, a summary of the table may be placed wherein the reasons for withdrawal should be shown. To determine the trend, the data for withdrawal during the first semester and withdrawal after the first semester should be shown separately.

**Action: Academic Section**

#### **51.4.1.8 To report the conduct of Summer camp 2021 for Govt. School students, conducted in online mode**

The Dean of Academic Affairs informed that IIIT-D hosted the 5th edition of the Summer Camp in a completely online mode for the first time, owing to the ongoing Covid pandemic. This year, around 125 students of government schools attended the camp from their homes and were guided and taught by about 35 B.Tech. student volunteers. This edition of Summer Camp had five student coordinators, who under the guidance of Ms. Sheetu Ahuja, Senior Manager (Academics), and with the help of student volunteers, made this a memorable experience filled with fun and learning for the participants. Overall, the camp was great learning for both the students and the volunteers. A detailed report placed at Annexure-V of the agenda note has been sent to the Hon'ble Lt. Governor and the Dy. Chief Minister of Delhi.

During the course of discussions Ms. Sheetu Ahuja, Sr. Manager (Academics), under whose guidance the camp was organized, informed that as the camp was in online mode, some students could not attend the sessions regularly due to internet issues and lack of resources

at their end. Prof. Basabi Bhaumik, one of the external members, appreciated the initiative taken by the Institute and suggested that modules/ supplements prepared for organizing the camp should be shared on the summer camp website to help other students learn from these modules and other colleges to use these modules for offering such programs.

**51.4.1.9 To report the status of suit No. CJ/1151/2018, filed by AnimeshAttri in the court of Hon'ble Shri Gaurav Gupta, Civil Judge Junior Division-x, Civil Courts, Amritsar**

The Senate noted the position.

**51.4.1.10 To report the status of suit No. CS SCJ/116/19, filed by Nikhil Gautam in the court of Hon'ble Shri Sushil Anuj Tyagi, JSCC-cum-Addl. SCJ-cum- Guardian Judge, South East, Saket, District Court, New Delhi**

The Senate noted the position.

**51.4.1.11 To report the status of Compliance Affidavit filed by the Institute in the matter of Courts on its Motion in re: Suicide Committed by Sushant Rohilla, Law Student of I.P. University (W.P.(CRL) 793/2017)**

The Senate noted the position.

**51.4.1.12 To report the status of Civil Suit No. CS (OS) 262/2021, filed by Juhi Chawla and Ors in the Hon'ble High Court of Delhi.**

A Civil Suit No. CS (OS) 262/2021 was filed by Juhi Chawla and Ors in the Hon'ble High Court of Delhi, where the Institute was arrayed as Defendant no. 23. The Hon'ble High Court has dismissed the suit in limine vide order dated June 4, 2021. The Senate noted the position.

**51.5 ITEMS FOR DISCUSSION AND CONSIDERATION**

**51.5.1 UG Matters**

**51.5.1.1 To consider the recommendation of the Academic Affairs Committee (AAC) for converting “the Science/ Bio Slot” to a free slot for elective courses**

The Dean of Academic Affairs apprised the members of the discussions held by the Academic Affairs Committee (AAC) at its 9<sup>th</sup> meeting held on December 23, 2020, and the 12<sup>th</sup> meeting held on April 17, 2021 regarding creating a bucket for Science /Bio Slot in the timetable. It was noted that the Sci /Bio slot is not a mandatory slot for CSE and ECE

programs. However, in the graduation requirement of CSAM, it is mandated that a CSAM student needs to do a science/bio course elective mandatorily. The recommendation of the AAC is as follow:

“The AAC discussed the point in detail and recommended that “the Science/ Bio Slot” be converted to a free elective course. The students may be allowed to take any 2xx/3xx level courses on offer for 2nd -year students apart from their core courses. It was further suggested that since this slot is there in CSE/ECE/CSAM regulations, the matter may be sent to the departments asking them to share the courses that can be offered in this slot.”

After a brief discussion, the Senate approved the above recommendation of the AAC.

**Action: Academic Section**

#### **51.5.1.2 To consider the recommendation of the Academic Affairs Committee (AAC) for counting of a course towards two Minors in a B.Tech. program**

The Dean of Academic Affairs informed the members that earlier, the UG students at IIITD were allowed to do only 2 Minors, i.e., Minor in Computational Biology and a Minor in Economics. There were no courses in common in these 2 Minors. However, recently a new Minor in Entrepreneurship has been approved. There are some courses which are common in both the Minors. The regulations are not clear; if a student is doing a course that is common for both, the Minors can be counted to satisfy both. The AAC at its 12<sup>th</sup> meeting held on April 17, 2021, therefore, discussed the matter and observed/recommended as under:

“The Academic Affairs Committee (AAC), at its 12th meeting held on April 17, 2021, therefore, discussed the matter regarding the counting of a course towards two Minors in a B.Tech. program and noted that currently, there is only one course, viz. Microeconomics is common to the two minors (i.e., Minor in Economics and Minor in Entrepreneurship). The AAC recommended that one course should not count towards two minors. The AAC also suggested that whenever any such Minor programs are introduced, the departments should keep in mind not to offer overlapping minors.”

After a brief discussion, the Senate approved the recommendation of the AAC and desired to keep a note in the relevant regulation to avoid overlapping of minors.

**Action: Academic Section**

#### **51.5.1.3 To consider the Academic Affairs Committee (AAC) recommendation for allowing the extension of another year to UG students listed below to enable them to complete the degree requirements**

The Dean of Academic Affairs apprised the members of the current status of the following three students as well as the recommendation of the AAC to allow them an extension to

enable them to complete the degree requirements. After detailed deliberations, the Senate decided as under:

Roll No.	Name of student	Recommendation of the AAC as approved by Senate
2013002	Aashanvit Sheoran	– In case his credits are not completed in the Summer Term, he will be allowed to continue in the next semester and register for the pending core courses. For these core courses, he will be allowed to attend the online and will be assigned a dedicated TA / TF who will guide him throughout the semester to help him get extra support.
2014024	Ashutosh Nandan	The committee suggested giving a final warning to the student to complete his remaining credits in the upcoming Monsoon 2021 semester, failing which his studentship shall stand canceled from the Institute without any further exception.
2014016	Aniket Kadiyan	AAC recommended an extension for a year for him. It was also recommended to ask the respective department to assign dedicated TAs in each of his registered courses to guide him throughout the semester.

**Action: Academic Section**

### **51.5.2 PG Matters**

#### **51.5.2.1 To consider the recommendation of the Academic Affairs Committee (AAC) regarding overload in a semester and clarification on Internship Guidelines for M.Tech. students**

The Dean of Academic Affairs informed that the Academic Affairs Committee (AAC), at its 12<sup>th</sup> meeting held on April 17, 2021 has discussed the overload ambiguity between the regulation and the Internship Guidelines and recommended as under:

"The AAC discussed the overload ambiguity between the regulation and the Internship Guidelines and proposed to remove the overload clause from Internship Guidelines. That is, the AAC recommended allowing students with CGPA of at least 8 to take an overload of 4 credits after their 1st semester as per the regulation."

After a brief discussion, the Senate approved the recommendation of the AAC.

**Action: Academic Section**

**51.5.2.2 To consider the Academic Affairs Committee (AAC) recommendation regarding positioning of the "Transfer of Credit" point in the PG Regulation.**

Consideration of this item was deferred to the next meeting.

**Action: Academic Section**

**51.5.2.3 To consider the Academic Affairs Committee (AAC) recommendation regarding partial modification of the eligibility criteria for admission to the Ph.D. program in Computational Biology.**

The Dean of Academic Affairs informed that the Academic Affairs Committee (AAC), at its 12th meeting held on April 17, 2021, discussed the recommendation of the Department of CB (highlighted in Yellow below) for partial modification of the eligibility criteria for admission to the Ph.D. program in Computational Biology and recommended further for approval of the Senate as under:

“M.B.B.S. with at least 60% marks in the qualifying degree. Such candidates are eligible for Institute token fellowship. However, candidates having their own fellowship through national examinations like CSIR-UGC NET, DST INSPIRE, ICMR-JRF, DBT-JRF will be preferred. M.B.B.S. degree will be treated equivalent to M.Sc. degree for other regulations. If admitted, these candidates may have to do additional courses in Mathematics and/or Computing, as needed.”

After a brief discussion, the Senate approved the recommendation of the AAC.

**Action: Academic Section**

**51.5.2.4 To consider the Academic Affairs Committee (AAC) recommendation regarding the timeline within which the students are required to defend the Ph.D. thesis after receiving evaluation reports from all the examiners**

The Dean of Academic Affairs informed that the Academic Affairs Committee (AAC) at its 13<sup>th</sup> meeting held on June 9, 2021 had discussed the matter regarding the timeline within which the students are required to defend the Ph.D. thesis after receiving evaluation reports from all the examiners and observed/recommended as under:

“The point was discussed in light of the comments received from the Senate (50<sup>th</sup> meeting), and most of the members were of the view that it is desirable to have a timeline to defend the Ph.D. thesis after receiving the reports. It was felt that it gives a soft handle to remind and manage the process. Further, the external examiners cannot wait for an extended period for participation in the defense; it was also noted that IIT-Delhi releases the honorarium of Ph.D. examiners after the defense. After detailed deliberations, the AAC recommended the following:

The student shall be required to address the comments of all the examiners (external & internal) within 12 weeks from the date of receipt of all the evaluation reports and

should be ready for the oral defense. The student may seek an extension for genuine reasons like medical, compelling personal reasons, etc. If the extension is not granted and the student misses the deadline, it will be taken as a new submission, and the entire process of thesis evaluation will be repeated. Since the Institute pays honorarium to the external examiners, for any second evaluation, the cost of paying the honorarium to the previous examiners will be recovered from the student.”

After detailed deliberations, the Senate approved the recommendation of the AAC.

**Action: Academic Section**

**51.5.2.5 To consider the recommendation of the Academic Affairs Committee (AAC) regarding the Doctoral Dissertation Award**

The Dean of Academic Affairs informed that the Academic Affairs Committee (AAC), at its 13<sup>th</sup> meeting held on June 9, 2021 re-discussed the proposal for the “Doctoral Dissertation Award” and observed/ recommended as under:

“The purpose of creating the “Doctoral Dissertation Award” is to honour truly outstanding Dissertation researched and written by a graduating Ph.D. student. To award the same, it is suggested to add the following question in the Ph.D. evaluation form itself:

Would you like to nominate this thesis for the Doctoral Dissertation Award?  
(applicable only if you are rating this thesis in either A or B category).

The student will be awarded the “Doctoral Thesis Award” only if the majority of the external examiners recommend it. It was also suggested to re-look this process after a year if the number of Ph.D. students eligible for the award turns out to be on a higher side.”

After detailed deliberations, the Senate approved the recommendation of the AAC.

**Action: Academic Section**

**51.5.2.6 To consider the cases of termination of registration of Ph.D. students viz. Prashasti (PhD20104) and Tanisha (PhD20112)**

The Dean of Academic Affairs informed that two Ph.D. students viz. Prashasti (PhD20104) and Tanisha (PhD20112), who are working under the guidance of Dr. Anuj Grover, are due for their program termination due to continuous poor academic performance in 2 consecutive semesters (Monsoon 2020 & Winter 2021). It was noted that as per PG Regulations, the minimum continuing CGPA is 7.0. If the CGPA falls below this, the student may be asked to shift to M.Tech. program or leave the program.

He also informed that Dr. Anuj Grover, Advisor has submitted a detailed justification and requested to allow these students to spend one more semester in the program despite poor CGPA so that they may improve their CGPA. During the course of discussions, Dr.

Anuj Grover further explained the case of these students and clarified the points raised by one of the external Senate members. After detailed deliberations, the Senate agreed to allow one more semester for both of these students.

**Action: Academic Section**

**51.5.2.7 To consider the recommendation of the Academic Affairs Committee (AAC) regarding new guidelines for Ph.D. in Social Sciences and Humanities.**

The Dean of Academic Affairs informed that the Senate at its 41<sup>st</sup> meeting held on 30<sup>th</sup> January 2019 vide item No. 41.5.2.1 had earlier reconsidered and approved the special requirements for Ph.D. Economics and Sociology and Anthropology. He further informed that the SSH Department has now proposed new guidelines for Ph.D. in Social Sciences and Humanities, which cover all the disciplines and Research Areas, application eligibility (minimum qualification), and the course requirements, based on entry qualifications for the various areas. The said proposal was considered by the Academic Affairs Committee (AAC) at its 14<sup>th</sup> meeting held on 22.07.2021. The AAC, after detailed deliberations and after making a few minor changes, has recommended the new guidelines for Ph.D. in Social Sciences and Humanities. After detailed deliberations, the Senate agreed to the recommendation of the AAC and approved the new guidelines for Ph.D. in Social Sciences and Humanities as placed in the agenda.

**Action: Academic Section/Head,SSH**

**51.5.3 Other matters**

**51.5.3.1 To consider the list of students who have completed graduation requirements on 21<sup>st</sup> January 2021 and 21<sup>st</sup> June 2021.**

After a brief discussion, the Senate approved the list of 491 students who completed graduation requirements on 21<sup>st</sup> January 2021 and 21<sup>st</sup> June 2021 placed at [Appendix- I](#). As per past practice, the Registrar will examine the checklist and the transcripts of about 10% of UG/PG students at random to ensure that the list is error-free.

**Action: Academic Section**

**51.5.3.2 To consider the recommendation of the Academic Affairs Committee (AAC) regarding the formula for conversion of CGPA to the percentage of marks and issue of certificate thereof.**

The Dean of Academic Affairs informed that the Academic Affairs Committee (AAC), at its 12<sup>th</sup> meeting held on April 17, 2021, discussed the matter regarding the issue of certificate for conversion of CGPA to percentage marks and noted that currently, we do not have any criteria for conversion of CGPA to percentage marks for which the students often come up with the requests to satisfy the requirements of the Government agencies

where they apply for a job or of Foreign/Indian Universities where they apply for higher studies. It was also noted that as per practice, since the very beginning, the Institute is using the conversion formula of CGPA\*10. However, it is not stated anywhere in the regulations or any other office order. After detailed deliberation, the AAC recommended as under:

“The AAC noted that the current formula being followed is CGPA\*10 and recommended to formalize the same by taking Senate’s approval.”

During the course of discussions, Prof. Dheeraj Sanghi informed me that IIT Kanpur issues a similar certificate to help the students. After detailed discussions, it was decided to adopt the language used in the certificate being issued by IIT Kanpur.

#### **51.5.3.3 To consider a proposal to sign an MoU between IIIT Delhi and Nagasaki University, Japan, for collaborative research and exchange of students.**

The Dean of Academic Affairs informed that a team of Professors from Nagasaki University has proposed and explored the possibility of signing an MOU between IIITD and Nagasaki University, Japan, to cooperate for conducting collaborative research and exchange of students. The proposal was discussed in the MoU committee meeting held on June 14, 2021. The committee noted that it is good collaboration and will be beneficial for our students and faculty. The committee also stated that since Nagasaki University is not charging any fee for the student exchange, IIITD should also not charge the fee from their students if coming under this MoU. After detailed deliberations, the Senate agreed to the recommendation of the MoU Committee for signing this MOU for collaborative research and exchange of students as placed on the agenda. The Senate also agreed, in principle, to waive-off the fee for the students of foreign universities if the foreign universities are also waiving off the fee for our students.

#### **51.5.3.4 To consider a proposal to sign an MoU between IIIT Delhi and JK Lakshmipat University (JKLU), Jaipur, Rajasthan, to promote academic linkages, faculty, and student exchanges.**

Before this item could be taken up for discussion, Prof. Dheeraj Sanghi, external member, who is currently Vice-Chancellor of JK Lakshmipat University recused himself to avoid conflict of interest. Thereafter, the Dean of Academic Affairs apprised the members of a request received from Prof Sanjay Goel, Director JKLU, wherein it is proposed to sign an MoU between IIIT Delhi and JK Lakshmipat University (JKLU), Jaipur, for the following purposes:

- i) The general purpose of this agreement is to establish specific educational relations and cooperation between the two participating institutions to promote academic linkages and enrich the understanding of the culture of the two states concerned.
- ii) The purpose of exchanges between faculty members is to promote collaborative research, other educational developments, and further mutual understanding.
- iii) The purpose of student exchange is to enable students to enroll in subjects at the host institution for credit which will be applied towards their degree at their home institution.

He further informed that the proposal was discussed in the MoU committee meeting held on June 14, 2021, wherein the committee noted that this MoU would not be much beneficial for IIITD for student or faculty exchange; however, as a good Institute, we should fulfill our responsibility of helping the peer institutes as such an exchange program will be beneficial for JKLU students and faculty. Also, since the students who will come on student exchange will be considered visiting students and will pay the fee according to the visiting students' rules, it will help us have good students for a short duration on the campus, who can possibly enroll as Ph.D. students later at IIIT-D.

After detailed deliberations, the Senate agreed to the recommendation of the MoU Committee for signing this MOU (as placed on the agenda) for the purposes outlined above.

#### **51.5.3.5 To report the status of approval from the All India Council for Technical Education (AICTE)**

Mr. Ashutosh Brahma, Asstt. Manager (Academic) informed that All India Council for Technical Education (AICTE) vide letter F.No. North-West/1-9323337827/2021/EOA dated 10.07.2021 ([available here](#)) has given Extension of Approval (EOA) for the Academic Year 2021-22. He also answered the queries made by the members. It was noted that this year we had only applied for the merger of all PG specializations into one umbrella, i.e., CSE, ECE, and CB. Now, the Institute has received the approval for the following:

Level	Program	Intake as per AICTE
PG	CSE	150
PG	ECE	60
PG	CB	30
UG	CSE	120
UG	ECE	60
UG	CSAM	60
UG	CSD	60
UG	CSSS	60
UG	CSB	60

Note: Next year, it is planned to regularise all B. Tech. intakes.

The Senate noted the above position.

**Action: Academic Section**

**51.5.3.6 To consider the recommendation of the Academic Affairs Committee (AAC) for making changes in the 3-day module offered to B.Tech. students**

The Dean of Academic Affairs informed that the Academic Affairs Committee (AAC), in its 14<sup>th</sup> meeting held on 22.07.2021, considered the matter related to the running of the 3-day module and observed/recommended as under:

"This is in continuation to item 8 of the 8th AAC meeting, where it was decided to take views of the departments regarding the modules to be offered. It was also agreed, as these changes are only in the suggested modules to be offered and are not a policy change. Hence AAC can approve such changes. This is in line with the practice that we are following for approval of other courses. AAC also suggested that in the future also, changes in 3-day modules should not go to the Senate for approval. Further, AAC agreed to the suggestions received from the departments and a specific suggestion received from the UG Chair that JAVA and ELD are not related; hence the performance will not be counted in ELD for ECE students. During the discussion, some members raised concerns over the offering of these modules, and students do not have an interest in attending the modules. After a brief discussion, it was agreed to collect some feedback from the students."

In pursuance of the above, the Academic Section has collected feedback from the students, and the outcome of the feedback emerges that students find the modules useful.

After detailed deliberations, the Senate agreed to the recommendation of the AAC and allowed the 3-day module to be run as decided by the department from time to time. In the future, the matter related to the 3-day module will be placed before the Senate only where there is a proposal for policy changes.

**Action: Academic Section**

While concluding the discussions, the Director (Chairman, Senate) shared an update about the recent MoU signed with IIT Delhi that enables both the Institutes to collaborate and cooperate in various domains. This MoU permits both institutions to jointly guide research candidates registered in either of the Institutes, jointly propose and engage in research and/or training programs, permit Ph.D. students from one institution to take advanced courses in the other, encourage faculty members from both Institutes to jointly formulate and offer advanced courses available to students from both Institutes, jointly organize seminars, conferences, or workshops on topics of mutual interest, jointly propose centres of excellence which may be spread over the two institutions etc. He further informed that our Dean of Academics and Dean R&D are going to discuss with their counterparts in IIT Delhi to see how to kick-start some of the possible joint activities envisioned in the MoU.

The meeting ended with a vote of thanks to and by the Chair.
