| • Dr. Vivek Bohara | - Member |
| • Dr. Shobha Sundar Ram | - Member |
| • Mr. K P Singh | - Academic In-Charge |
| • Mr. Ashutosh Brahma | - JM (Academic) |
| • Ms. Anshu Dureja | - JM (Academic) |

At the outset the Chair PGC welcomed all to the meeting. Thereafter, some of the agenda items/issues were discussed and the following decisions/ recommendations were made.

1. The minutes of the 6th meeting of the PGC held on 23rd February, 2015 was confirmed as circulated.
2. Chair, PGC apprised the members of a proposal to send a suitable invitation to good performing M.Tech. students to apply for rolling admission for migration to Ph.D. program. After detailed discussions the PGC decided that an invitation to existing M.Tech. students will be sent by Admn-Ph.D. for rolling admission in July. The application for rolling admission will be made by the interested student through a faculty member in the interested research areas. The selection of students for rolling admission will be made through special committees to be appointed for the purpose. A suitable notification will be prepared and finalized for sending the invitation. The PGC also noted that IITD students are eligible to apply through regular admission process and they need not pay the application fee.
3. PGC discussed the FAQs for Ph.D. and after making some minor changes approved the same. It was also decided to upload the FAQs for information of the students.

4. Chair PGC presented the list of A+ companies for undertaking Industrial Project (IndP) and internship. After detailed discussions the list was modified and a final list placed at **Appendix** was approved for undertaking Industrial Project (IndP) only.
5. PGC discussed the question of replacing up to two courses by PG student (M.Tech. and Ph.D.) in which he/she has obtained passing, but not good grade. After detailed deliberations the PGC recommended to Senate to allow the replacement as and when the request is made by the concerned student. Currently the replacement is being allowed only at the time of graduation.
6. Due to time constraints the remaining agenda items were deferred.

The meeting ended with a vote of thanks to the chair.
